Please send to the email above the guest titles (no names necessary ex. bridesmaid) with Long hair, Shoulder length, Short or Very Short. Every one's hair must be ready to style, clean and totally dry, this shortens the length of each service. We will do “whatever it takes” to make sure that things go smoothly. Timing is very important so the attendants and guests should realize that whatever they choose should not take more than ½ hour unless the time is predetermined for the look you/they choose. There is an assistant that helps keeps things running smoothly and not a minute is wasted. Remember to include the amount of time needed to arrive at the altar of the wedding ceremony. Yes, you can be a little late, tastefully.*

*\*\*\* There must be a pre-booked appointment for the bride the week previous to the wedding date. I prefer it to be the last appointment at the end of the day so I can put you at peace knowing that you have picked the right style that you will love when you look at your wedding pictures in years to come. Bring your hairpiece (if you have one) and then I will make suggestions to meet your dream come true, formal wedding style.*

### *A Suggestion*

*The Bride to be, any time before her wedding should book a 1 hour appointment to discuss and show you what you could look like on your special day. We love to make suggestions and take into consideration your body image from head to toe. This should be done after your dress and headpiece have been purchased. You and your stylist must know what kind of neckline, shoulders and the back of your dress looks like to be able to compliment with balance the right recommendations for your hair to bring out your best features. You will see what you look like with your hair formally styled Up, Down, 1/2 Up, Curly or whatever ideas we come up with. In the hour after you arrive with clean and dry hair we will suggest and try 3 looks to choose possibilities of your dream hair day. This could be helpful if you getting married out of the area to narrow what you do or don't want. You can take photos to show the stylist of some ideas you like.*
